SUPPLEMENTAL RESPONSE

Dear Sir:

In further response to the Office Action of July 29, 2003, enclosed are copies of:

- (a) response dated August 20, 2003;
- (b) transmittal letter dated August 20, 2003;
- (c) ribbon page, cover page and original Certificate of Correction of original ribboned U.S. Patent no. 5,577,426 filed with the Response of item (a); and
- (d) filing receipt postcard for items (a) - (c), date stamped by the PTO.

Certificate of Mailing

I hereby certify that, on March 10, 2004, this correspondence is being deposited with the U. S. Postal Service, as First Class Mail in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

Irene Feizulov

The originals of the items (a)-(d) were sent to the PTO in response to the Office Action of July 29 and were received by the PTO on August 25, 2003, as evidenced by item (d).

On March 5, 2004, the undersigned was telephoned by Examiner Meislin inquiring as to the status of the application, since she had received no response to the action of July 29, 2003, which required surrender of the original patent Certificate.

From the foregoing, it appears that the original patent Certificate has been lost by the PTO, and this response should be considered a declaration as to such loss.

All statements made herein of my own knowledge are true, all statements made on information and belief are believed to be true and these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully submitted,
